

SONOMA SKYPARK NEWSLETTER

APRIL 2022

The office is closed for Easter Sunday, April 17

TITAN Fuel Tank Inspection 3/18/22 - Al Robinson gave us 4 of 5 stars on our rating. The issues that need attention are one non-compliant hose and our Daily Inspection record. We're working on it! My goal is 5 of 5 stars next year.

CalTrans Inspection 3/24/22 - Chris Brooks conducted the yearly FAA Airport Master Record/State Permit Compliance Inspection. I have not received the final report yet, but I told Chris we will work with CalTrans to keep Sonoma Skypark a safe place to fly.

Marcus Shackford has moved to Arizona. We will miss him tremendously as he was very helpful as an Attendant and well liked by all. Good luck to you Marcus and Brittany!

Oleander Trimming - On April 5, Tuesday, Waldron Landscaping will be trimming the Oleander trees that border the main parking lot.

REACH - 3/30/22 REACH and SVFD performed a patient transfer. This particular patient was special in that he was a relative of one of the crew. As always, we are thrilled to be of assistance to these fine folks in their endeavor to save lives.

Parting Shots...

Rueben, Scott C., and Craig M. chillin' out. Turns out Santana plays the same style guitar that Craig has!

See you all next month. Fly safe and have fun, *tina louise*
